

Disclosures: Comments published by the authors of this blog are also employees of Masonry Capital Management, LLC (the “Firm”), do not constitute a recommendation to buy or sell securities from the Firm or its agents nor shall be defined as research. Comments represent the opinions of the bloggers and do not necessarily represent the views or opinions of the Firm or its agents, other than those agents making the comments on this blog. Any data contained in this blog was taken from statistical services, reports in our possession, and from other sources. The commentary, opinions and estimates expressed are unique and the Firm makes no representations either as to the accuracy or as the existence or non-existence of other facts or interpretations which may be significant. The information provided by the bloggers was gathered from responsible sources but the Firm nor the blogger cannot guarantee its accuracy or completeness. The directors, officers, and employees of the Firm which includes the bloggers may from time to time have a long or short position in the securities described in this blog and may buy or sell such securities. The information herein does not take into account the particular investment objectives or financial circumstances of any specific person who may receive it. Before making an investment, prospective clients are advised to thoroughly and carefully review the Firm’s Form ADV with their financial, legal and tax advisers to determine whether a strategy is suitable for them.

INVESTMENT PERFORMANCE:

Any performance representations contained herein are not representations that such performance will continue in the future or that any investment scenario or performance will even be similar to such description. Any investment described herein is an example only and is not a representation that the same or even similar investment scenarios will arise in the future or that investments made will be profitable. No representation is being made that any investment will or is likely to achieve profits or losses similar to those shown. In fact, there are frequently sharp differences between prior performance results and actual results achieved by a particular trading program.

FORWARD LOOKING STATEMENTS:

Certain information contained in this material constitutes forward-looking statements, which can be identified by the use of forward-looking terminology such as “may,” “will,” “should,” “expect,” “anticipate,” “target,” “project,” “estimate,” “intend,” “continue,” or “believe,” or the negatives thereof or other variations thereon or comparable terminology. Such statements are not guarantees of future performance or activities. Due to various risks and uncertainties, actual events or results or the actual performance of the investments may differ materially from those reflected or contemplated in such forward-looking statements.
